

24" Round Two Hoop Dog Park Steel Jump-Through

Description

Our two hoop dog jump will be a perfect addition for any dog park, agility run, or doggy daycare. Built with 5/8" round solid steel tubing that is coated in polyethylene designed for rough play and harsh weather conditions. Each hoop is 24" in diameter in-ground mounting provided by 18" long anchoring pipes. Pick a color that best matches your style or leave the color option blank and it will be our standard light blue. Pair this jump through with our other dog park products to create the ultimate obstacle course!

- Hoop Size: 24" Diameter
- Dimensions: 47"L x 35"H
- Weight: 27 lbs
- Elite Series Thermoplastic Polyethylene Coating
- 5-Year Commercial Warranty - Proudly Made in the USA!
