

# Dog n' Play Park Climb Platform, Punched Steel

DOG09-PP-00-000

## Description

Our Dog n' Play Climbing Platform is a perfect addition to any agility course, public dog park, RV campground, or community center. The frame is made of 3" round galvanized tubing with a powder-coated finish that will last years of rough play and harsh weather. The platform is 1/2" hole punched steel that is coated in a paw protective finish ensuring pups can play all day long! Little bone bars along the surface provide extra grip support for dogs running across. Our standard colors are light blue and yellow but we offer a selection of other colors if you desire something more unique. Don't forget our furry friends who like to play, add our dog park products to your next order.
