Brown Bench Frame

Weather Wood Planks

The Standard Picnic Table, available in 6 and 8 ft lengths, is based on traditional wooden picnic tables, but is constructed using recycled HDPE plastic for long lasting durability. It uses three 2"x 10" recycled plastic planks for a 29" wide table-top, and one for each of the 9^{1/2}" wide seats, with heavy duty 4"x 6" corner leg posts for extra support.
