### BUFFING TOP

Pigmented using organic powder color coating methods that will not delaminate over time.  
Sealed with specially formulated polymer agent that bonds pigments into the rubber.

# EPDM TOP

EPDM granules are used to create options from bright solids to special blends for specific color themes. Mixtures includes a vibrant 90% EPDM/40%black mesh for standout solids, a 50/50 mix with black mesh, and mixtures with up to 3 EPDM colors. Ask your rep about specific blends to cover your space needs.
