

Adirondack Recycled Plastic Dining Chair with Armless Frame

Model: 4104

This heavy-duty Adirondack Recycled Plastic Dining chair with Armless Frame makes great low maintenance seating for any poolside or patio dining area. With an armless slatted frame design and a standard seat height of 18", guests can get in and out with ease. Made from heavy-duty high-density polyethylene (HDPE) lumber, that will stand many years through rain or shine. Infused throughout with your favorite color, this chair will never need to be repainted, nor will it fade. Couple up with a seat cushion made of mildew-resistant Sundown Agora fabric to go along with this chair's simplistic design for a small upcharge. This product is made in central Pennsylvania and is supported by a 5-year commercial warranty. Ships knocked down for a low shipping cost and will require easy assembly.
