

Recycled Plastic Reclining Adirondack Chair with Folding Frame

Model: 881

The Recycled Plastic Reclining Adirondack Chair with a Folding Frame is molded from heavy-duty high-density polyethylene (HDPE) for long-lasting outdoor use. Poolside and beachside guests will love this patio chair for its 4 adjustable reclining positions. The folding frame makes for convenient storage and movement for busy hotels and resorts. Choose your favorite vibrant color from the selection to be mixed throughout the recycled plastic of your chair. A seat cushion made from mildew-resistant Sundown Agora fabric can be added for additional comfort and style for a small upcharge (head pillow not included). This product is made in the heart of central Pennsylvania and is supported by a 5-year commercial warranty. Ships knocked down for reduced shipping costs and will need to be assembled.
