

Marlboro Recycled Plastic Garden Bench - 4 Ft. or 5 Ft.

Model: 857 or 858

Manufactured in central Pennsylvania, this Marlboro Recycled Plastic Garden Bench is handcrafted with care and precision to feature on porches and patios of hotels, HOAs, and gardens. Featuring a unique eye-catching design bench back. Molded from commercial grade high-density polyethylene (HDPE) for its long-lasting durability against the outdoor elements. The recycled plastic lumber is infused throughout with the vibrant color of your choice from our selection to compliment your poolside setting. Choose to make your bench even more comfortable by adding a commercial grade Sundown Agora fabric cushion from our selection for a stylish, long lasting investments. Available in 4 and 5 ft. lengths. Ships knocked down for reduced shipping costs and will need to be assembled. The longevity and low maintenance performance of the recycled plastic has earned this bench a 5-year commercial warranty!
