

Hampton Recycled Plastic Adirondack with Cupholders

Model: 904

Our Hampton Recycled Plastic Adirondack with Cupholders is the perfect seating solution for your hotel pool, beachside venue, or waterpark. Created in Pennsylvania, USA, this adirondack is constructed of heavy-duty recycled plastic that is secured together with stainless steel which will not rust and ensures stability. Two 3" diameter cupholders give patrons easy access to put their drinks and small items such as cellphones. You can be sure this chair fits your location because it comes in your choice of 14 fun, bright colors. Add our optional adirondack full seat cushion for increased comfort at a small upcharge. Backed by a 5-year commercial warranty, it ships unassembled to save on shipping costs - easy to follow assembly instructions included. Add our Amish Made Hampton Recycled Plastic Adirondack with Cupholders to your waterside area today!
