FEATURES

Solid oakwood construction is perfect for both concession/rental use, and for the casual beach goer.

A double coating of marine spar varnish protects the wood from sun and salt air.

Four adjustable positions ensure perfect lounging and comfort.

Folds for easy storage and travel.

Stainless steel impact stapling secures 9 oz. fabric to an already robust oakwood frame.

Oval shaped dowels for added strength and support.

Maintenance free stainless steel hardware.

Over the shoulder carry bag available.
