Description

Our Top-Opening Sanitizing Wipe Dispenser is an excellent way to promote a clean and safe environment at your location. Choose from our tabletop and wall-mounted versions for a product that best suits your needs. A mounting kit is included if your desire is to place this low-profile sanitizing station on your walls. This wipe dispenser has a capacity of 900 sheets and the star-shaped opening reduces waste by limiting the number of wipes per pull to only one. A locking mechanism is included to secure your property. Constructed of a polyethylene plastic that has been infused with UV stabilizers, this wipe dispenser is suitable for both indoor and outdoor use and is available in Grey, Black, or Yellow. Consider adding a case of hand wipes to ensure that your product is ready to go upon arrival!

Proudly made in the USA.
